

CPF/TMA VACCINE PROGRAM

Your Discount Opportunity

TMA offers a comprehensive portfolio of vaccines from multiple manufacturers to support your **Adult, Pediatric,** and **Adolescent** immunizations. These products are offered via a physician buying group administered by CPF. Practices may choose one (1) of the below "Main Portfolios" from which to receive discounts and can supplement that portfolio with a variety of other products.

WHY CHOOSE US?

- FREE participation
- One stop shop for vaccines to treat patients of all ages
- FREE cost analysis of current portfolio
- Comprehensive choice of vaccine schedules
- Revenue from the program supports the programs of TMA and CPF
