

TENNESSEE HEALTHCARE SYMPOSIUM

The Tennessee Medical Association is bringing health insurance companies and industry experts together for a brand new, unique one-day healthcare conference.

The **Tennessee Healthcare Symposium** is a must-attend event for physicians, medical office staff and other healthcare professionals who want to improve coding, billing and reimbursement. Think TMA's annual Insurance Workshops combined with health plans' fall expos PLUS a full agenda of relevant and timely insurance-related education content.

» EDUCATION

Choose from 15 breakout sessions on a variety of healthcare topics from telemedicine to coding and documentation, and much more!

» CLAIMS HELP

Schedule one-on-one time with payer representatives who can answer your questions and help resolve issues with claims coding, claims filing, disputes and appeals, policy changes, prior authorizations and more.

» VENDORS & EXHIBITORS

Meet new companies offering the latest and greatest healthcare products and services.
