

TMEF
Tennessee Medical Education Fund

2024-25 Scholarship Information

The Tennessee Medical Education Fund, Inc. (TMEF) is an independent, nonprofit 501 (c) 3 corporation, created by the Tennessee Medical Association in 1963 with the purpose to provide scholarships to students enrolled in an accredited medical school within the state of Tennessee.

Scholarship Amounts:

The scholarships available are entirely “need based” without regard to course of study, academic performance or year of school and are restricted for medical school expenses only. Scholarship award funds are distributed directly to the medical school in which the applicant is enrolled.

Scholarships range from \$2,000 - \$10,000 per year, based on financial need. Financial need is determined in part by a financial need ranking by the applicable medical school.

Requirements for application are:

- Must be a citizen of the United States and a legal resident of the state of Tennessee as certified by the medical school in which enrolled
- Must be currently enrolled in an accredited medical school within the state of Tennessee (newly accepted students for the next academic year are not eligible to apply)
- Provide documentation of financial need to pursue a course of study in medicine by meeting Federal Unsubsidized William D. Ford Loan eligibility requirements
- Must be a member of the Tennessee Medical Association

Important Dates:

Application available at tnmed.org/scholarship: January 15, 2024

Application deadline: April 15, 2024
